Aqua  
H<sub>2</sub>O

Asombrados por la belleza de los océanos, hemos creado una colección inspirada en el AGUA y sus valores: transparencia, pureza, fluidez, vida.

Adoramos nuestros recursos naturales y sentimos la necesidad de PROTEGERLOS.

Regarding the beauty of the oceans in awe, this collection is inspired by the natural features of WATER: transparency, purity, fluidness and life.

We adore our natural resources and feel impelled to PROTECT THEM.

\*Polyester:

El poliéster reciclado está hecho a partir de materiales reciclados (telas de PET y poliéster). Al elegir tejidos de **poliéster reciclado**, se consigue el mismo rendimiento técnico que otras fibras de poliéster pero dejando una menor huella ambiental.

Recycled polyester is made from recycled materials (PET and polyester). By choosing recycled polyester fabrics, the same technical performance is achieved as using other polyester fabrics, leaving however less environmental footprint.
