Diseño Sostenible

Clima toma conciencia de que nadie puede hacerlo todo por nuestro planeta, pero que entre todos, si podemos hacer algo importante. Por eso, una parte significativa de nuestras colecciones, se han fabricado utilizando materiales reciclados y reciclables, consiguiendo así una reducción muy importante en el consumo de recursos naturales, tales como el agua y gasto energético, además de disminuir notablemente las emisiones de CO2 durante su fabricación.

Sustainable Design

Clima is well aware that taking care of our planet is a common task in which everyone should be involved. Hence, a significant part of our collections have been made using recycled and recyclable materials, therefore achieving a reduction in the use of natural resources, energetic consumption and CO2 emissions.
